Subject: Notice of File Closure for Small Mining Project, Saturday Night Live Company, Saturday Night 1-2 Project, S/003/066, Box Elder County, Utah

Dear Dr. Larive:

This letter is to notify you that the Division file, S/003/066, for the Saturday Night 1-2 small mining project, located in Box Elder County, Utah, will be closed and the notice withdrawn.

The last inspection of the site performed jointly with the Bureau of Land Management and this Division, revealed that no activity had taken place at the site. Because you have not paid the annual permit fee as required and you have not responded to our deficiencies (requested in October 2003), we assume you are no longer interested in this project. Therefore, the Division file is closed.

No mining related activity is authorized at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, post adequate reclamation surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5310.

Sincerely,

Lynn Kunzler
Senior Reclamation Biologist
